HUBBARD WOODS ELEMENTARY SCHOOL

SESSION 2

Wednesdays 3:15-4:15 pm

Chess-Ed will provide this unique, exciting and dynamic chess instruction which lifts each student to a new level of expertise. Each week students will enjoy an engaging lesson with supervised time to play classmates. Students will grow their knowledge of the game - from the basics through opening theory, middle game tactics and end game combinations. Students' vocabulary and math skills will continue to advance.

Studies confirm that the student who plays chess does better academically. Playing chess increases IQ performance, improves memory, uses analytical and critical thinking skills, teaches problem solving, responsibility, sportsmanship, social skills and more. **The chess program is open to all students in all grades and of all playing levels. JOIN TODAY!**

10 Week Session 2: 1/5, 1/12, 1/19, 1/26, 2/2, 2/9, 2/16, 2/23, 3/2, and 3/9/2022.

EARLY FEE Registration through 12/31/21 - \$180

FINAL Registration 1/1/22 to 1/12/22 - \$210

Register at:

www.2021-2022hubbardwoodschesseventbee.com

Your registration is complete when you receive two confirmation emails, one from Eventbee and the other from PayPal. If you do not receive these two emails, your registration is not complete. Please check your Spam/Junk folders as the confirmation emails may be diverted there.

Chess-Ed does not pro-rate classes. Questions? Please email info@chess-ed.com include your school name in the subject line. A full refund, less a \$20 administrative fee, guaranteed if notified before the third class. Contact Chess-Ed directly at info@chess-ed.com.
